(FOR KEY SEE REVERSE)

- On 25 May 1954 at 1630 hours a group of 28 Polish naval officers and other ranks, escorted by about 15 sailors with sub-machine guns, were seen coming out of the Naval Prosecutor's building at Kamienna Gora, Gdynia. They had had their badges of rank and cap badges removed. The party went along ul. Slowackiego and entered the building of Naval Informacja (Counterintelligence) on ul. Swietojanska.
- It is rumored in Gdynia that they formed the crew of a naval motor torpedo boat and, while on exercise, had tried to sail their ship to a foreign port.
